

Paris-Charles de Gaulle - Terminal 2E
 How to visit Espace Musées?

If you are taking off from Paris-CDG Airport to Asia, the Americas, or Africa with an airline member of Sky Team (Air France, Delta, etc...), you are likely to take off or transit through Terminal 2E. There, if your plane boards at any gate beginning with M, you will be able to visit Espace Musées. We are open from the first to the last flight at Gates M.

Use this map to find us after the security check.
 We hope to see you soon at Espace Musées!
